Longitudinal Analysis — Top 5 Most Active Posters

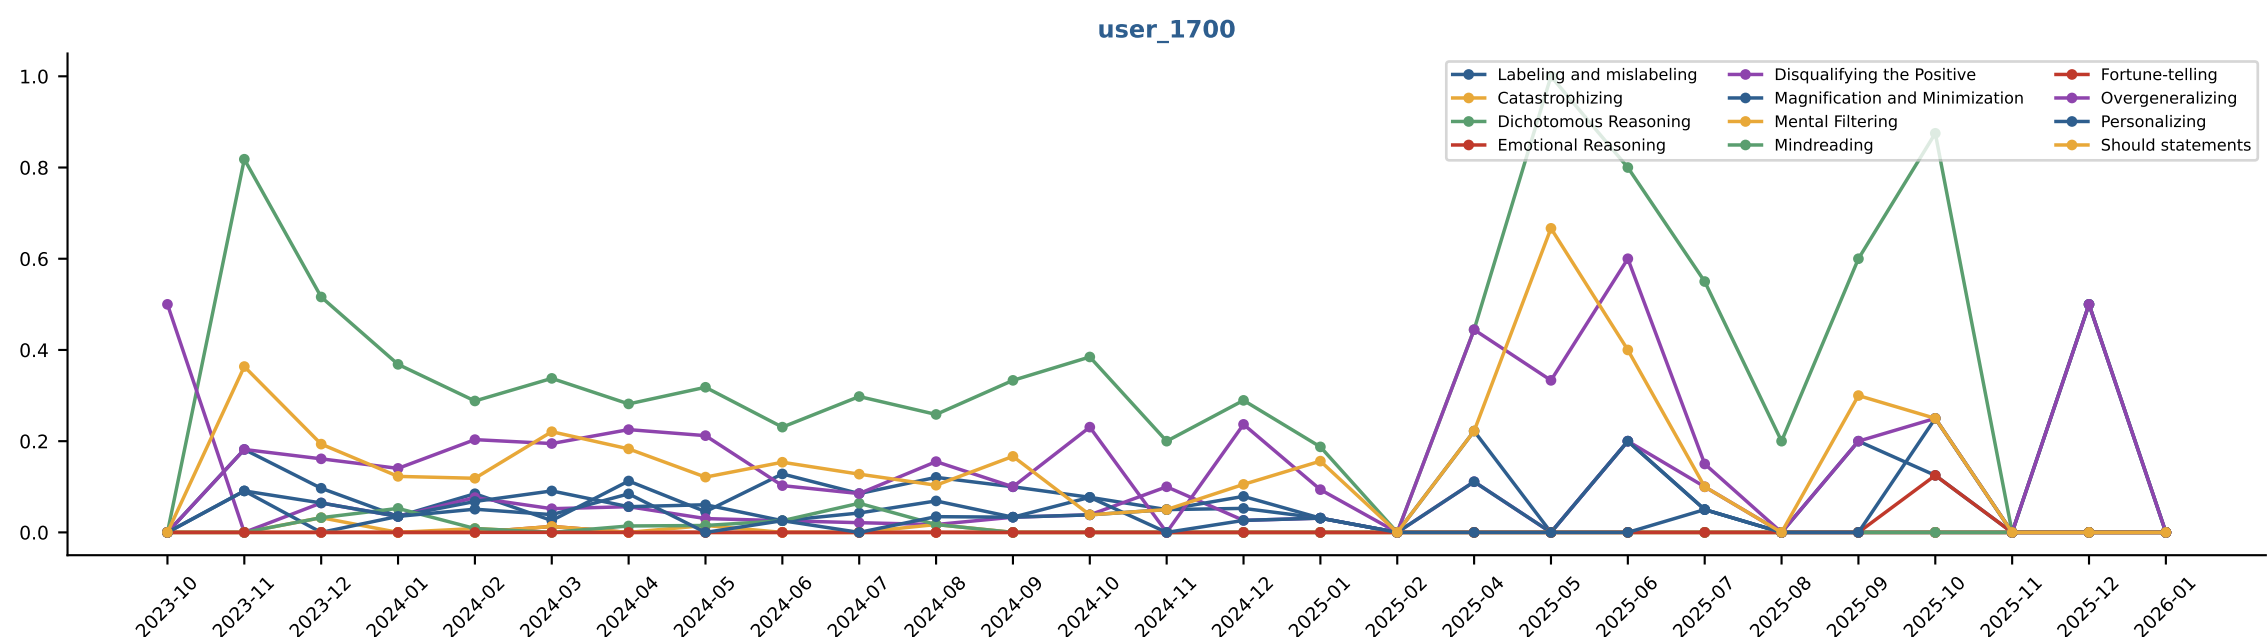

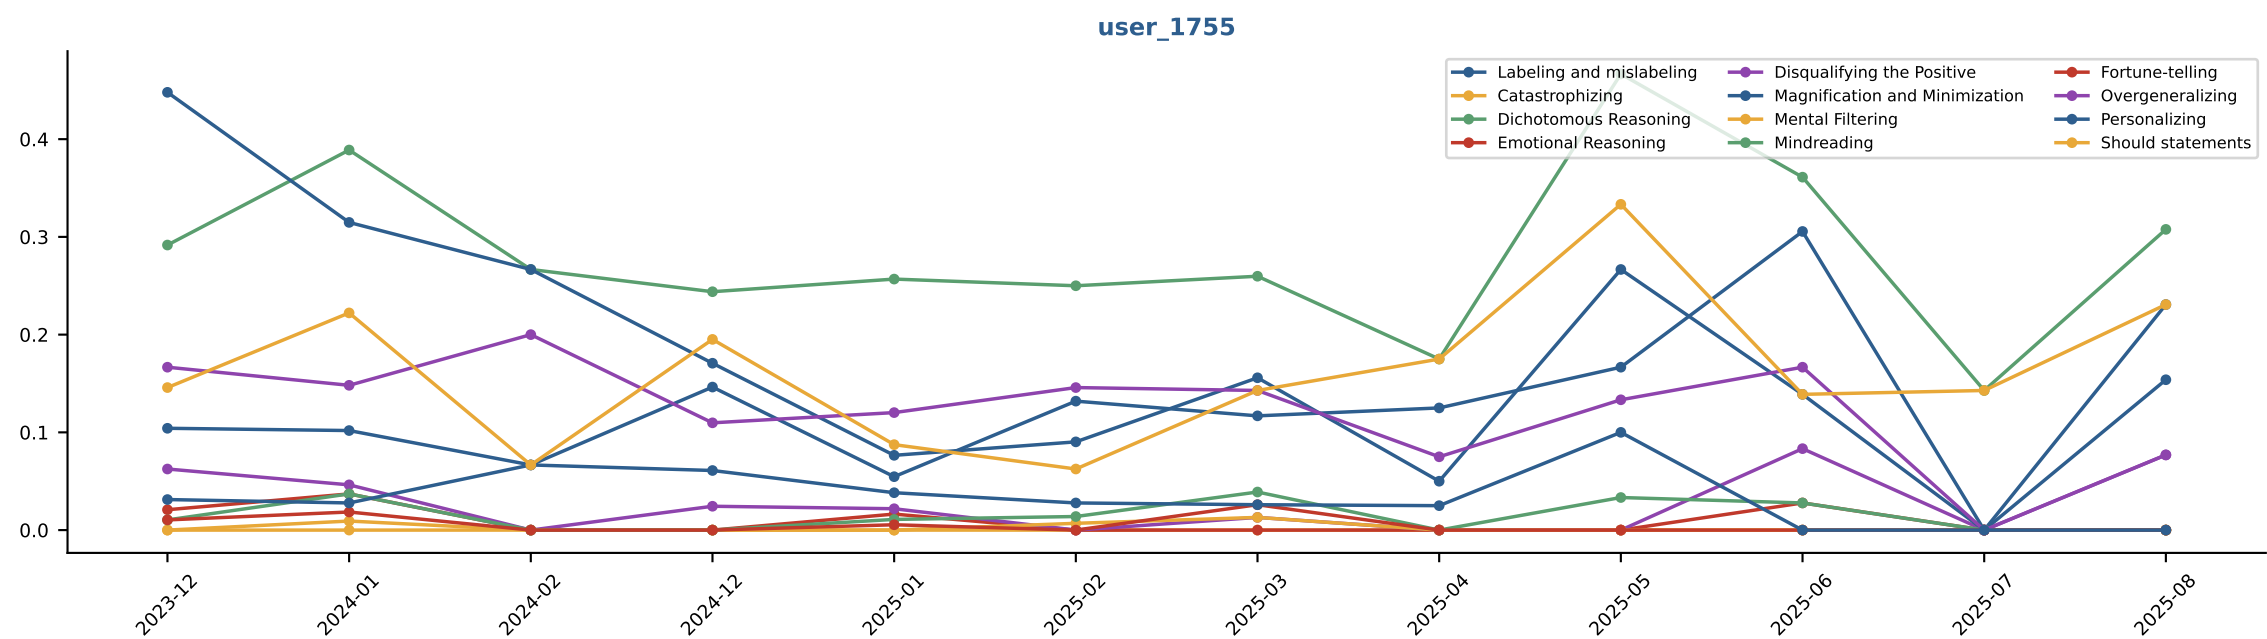

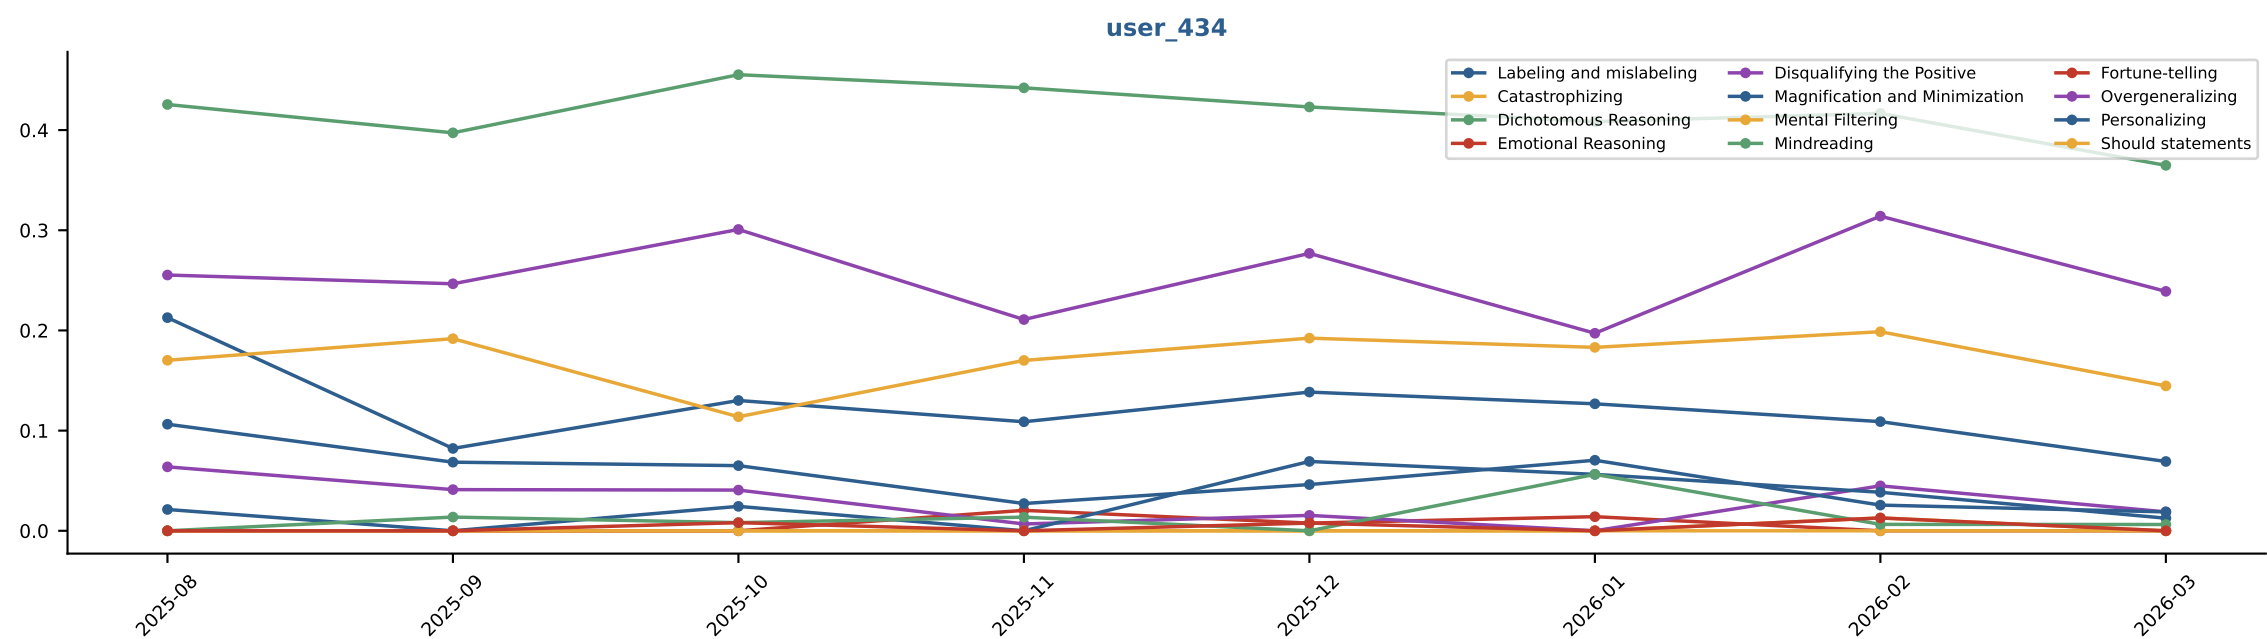

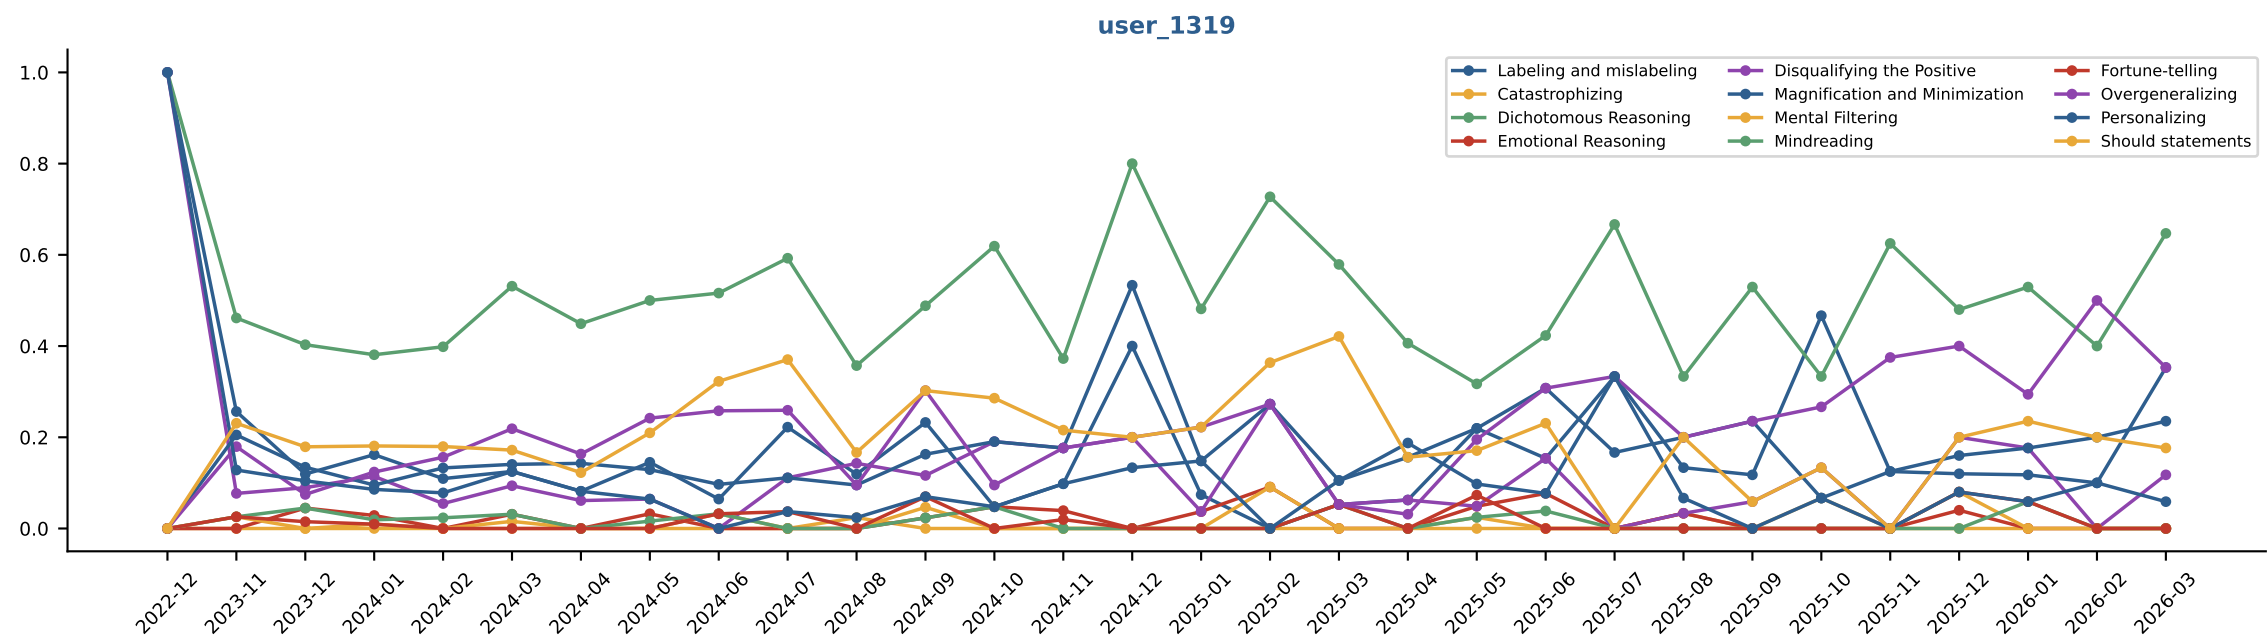

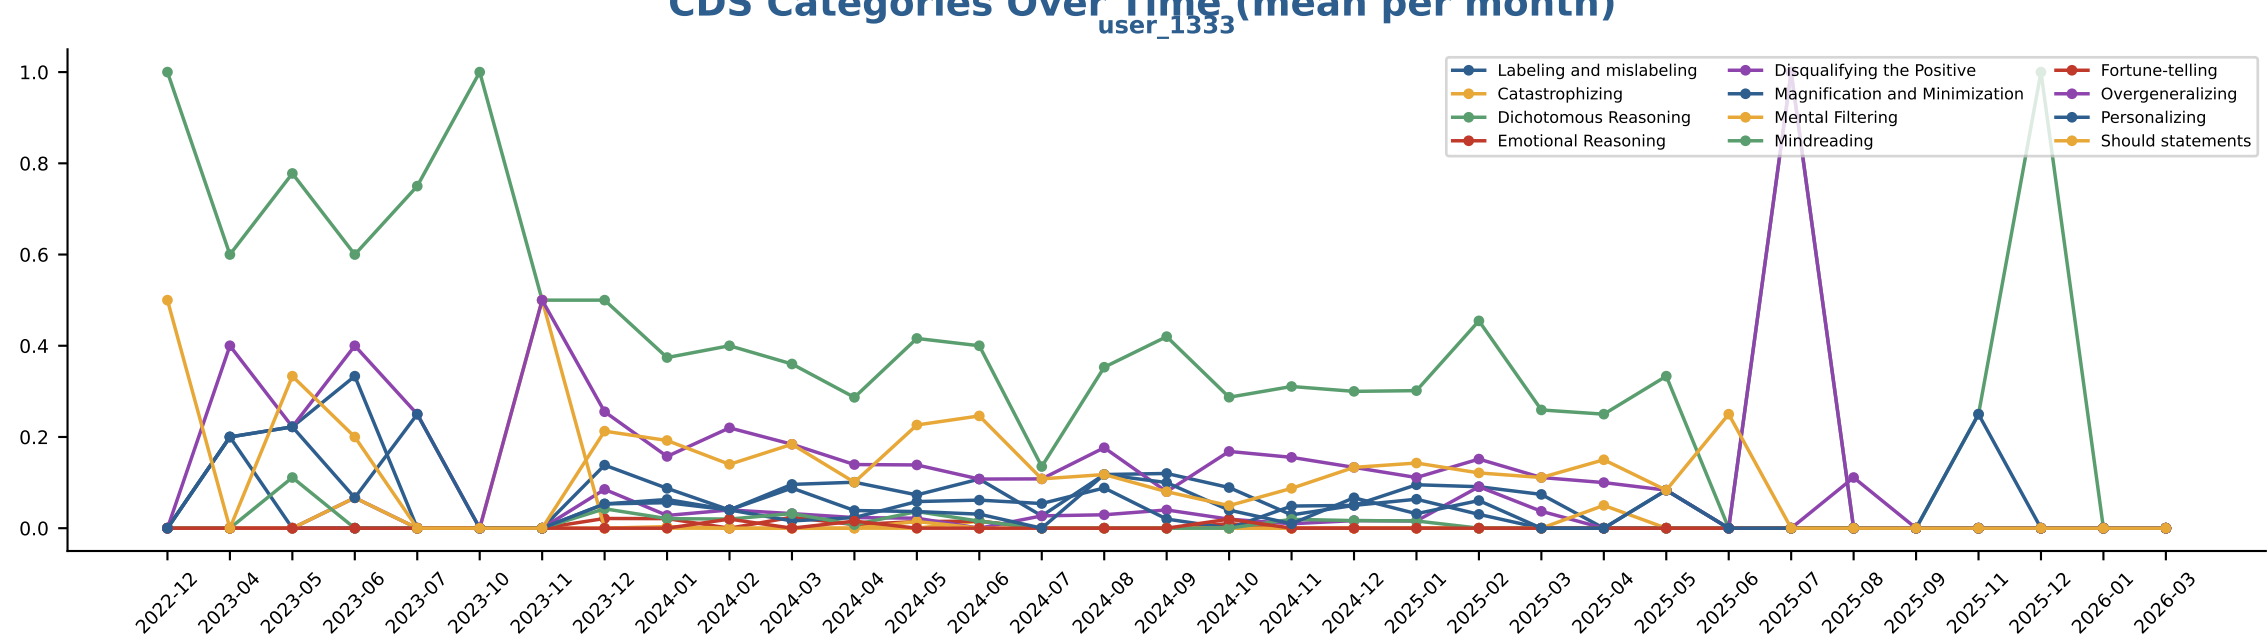

Selected Users — Top by Raw Post Volume

User	Posts	Active days	Posts / active month
user_1333	1486	1160	38.99
user_1319	1046	1181	26.96
user_434	906	229	120.43
user_1755	831	630	40.15
user_1700	799	800	30.4

Selection is by total post count only. Note this over-weights high-intensity users and can miss long-active, moderate-volume users (see --select sustained).
