Longitudinal Analysis — Top 5 Most Active Posters

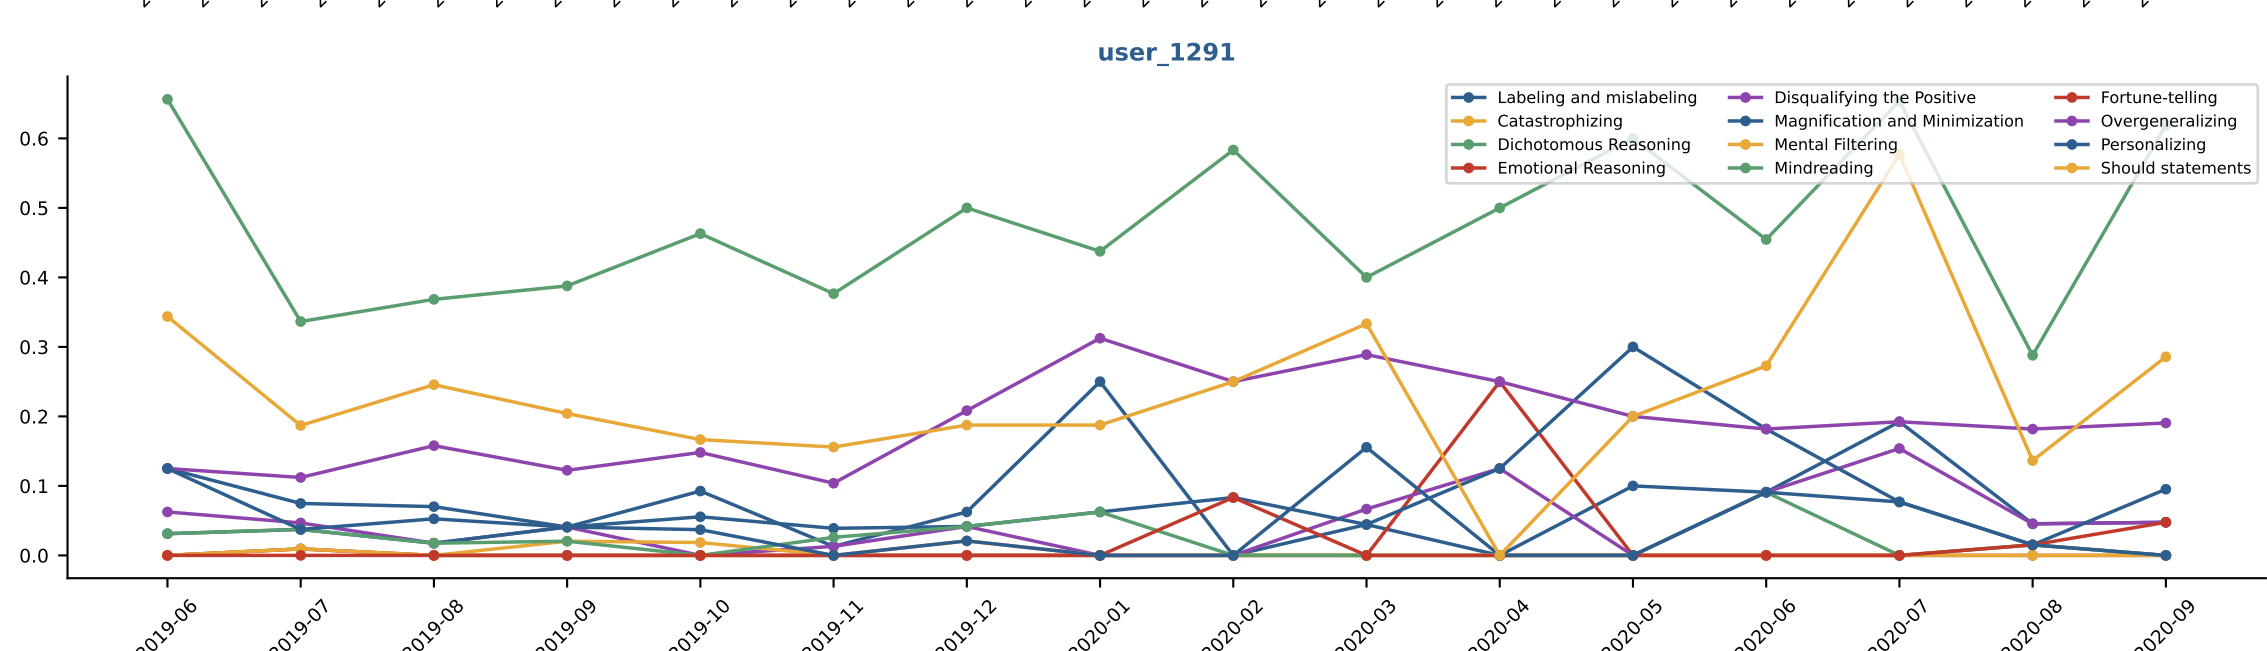

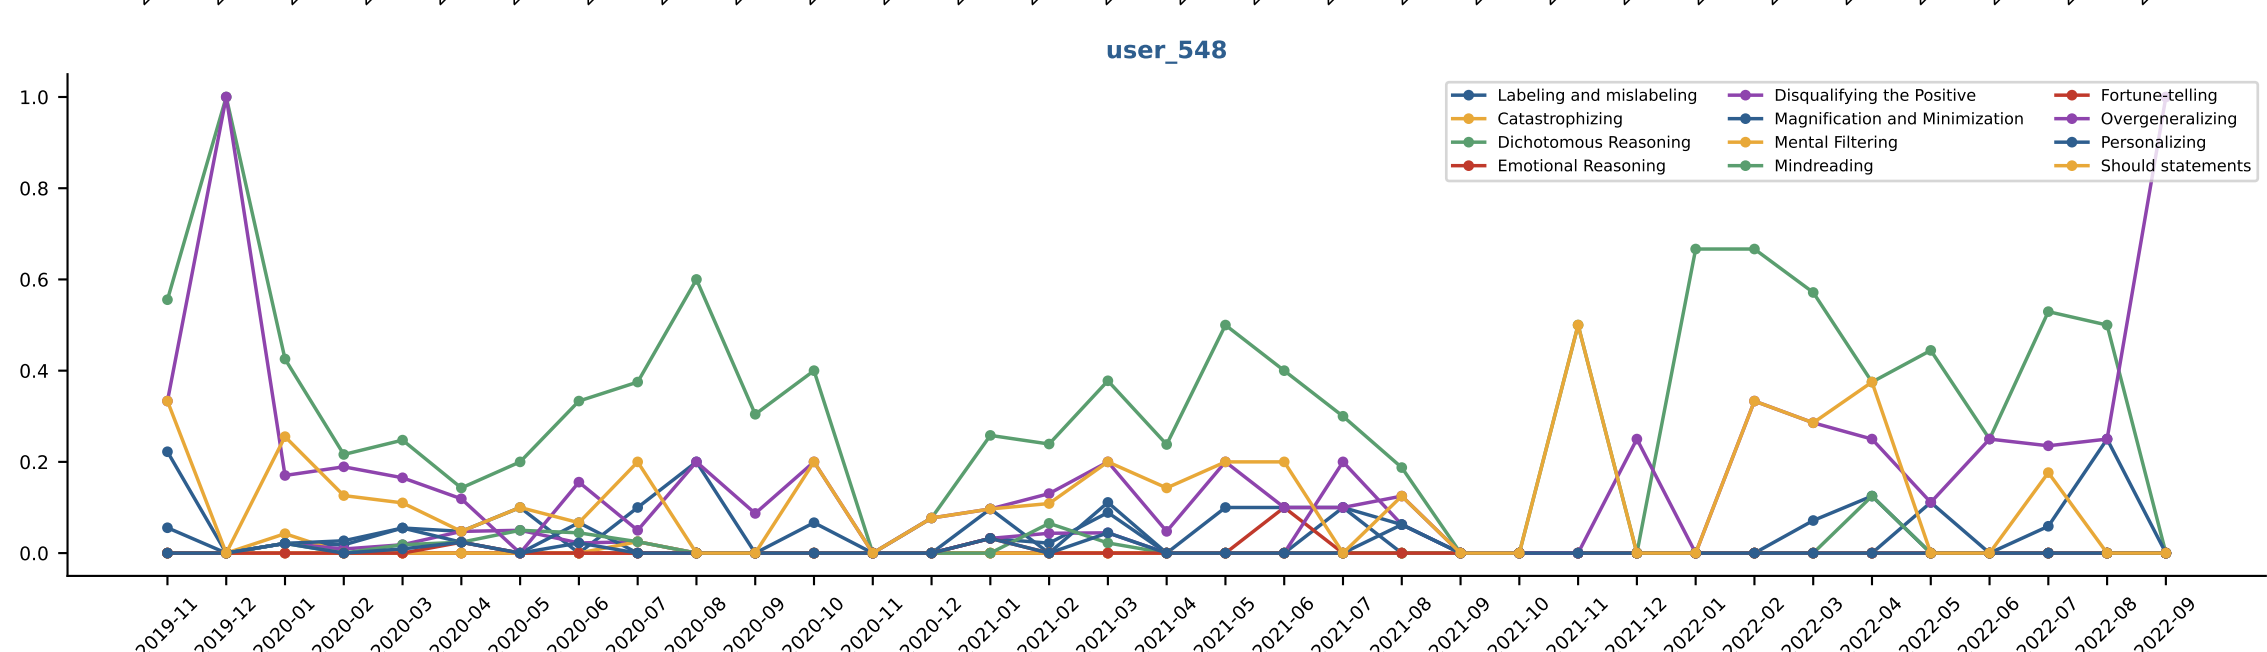

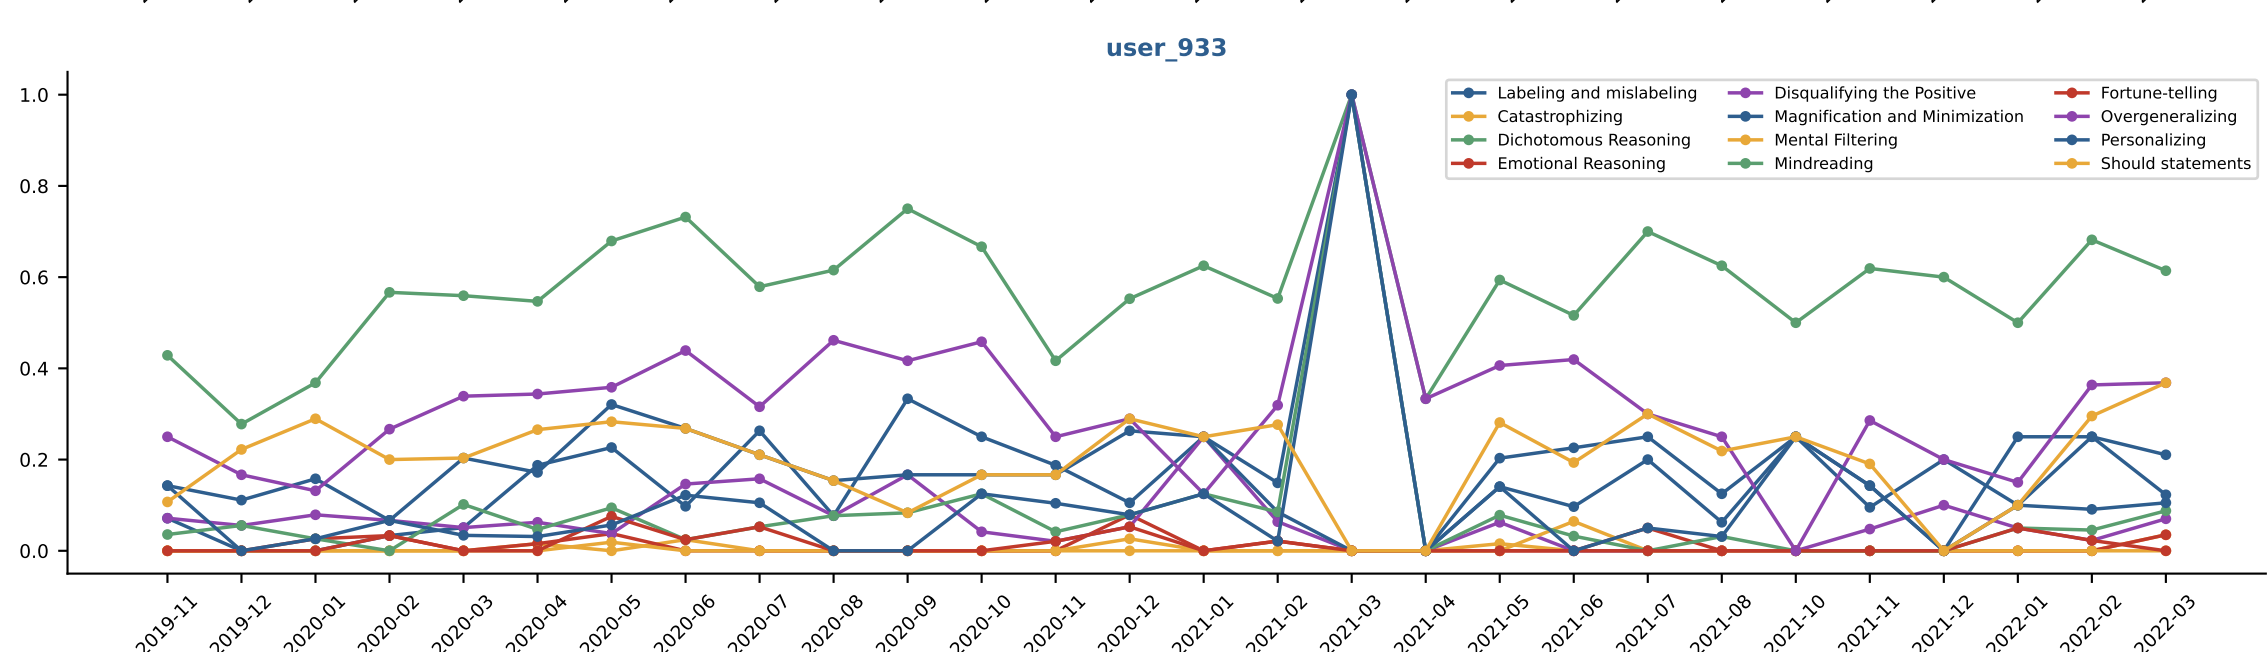

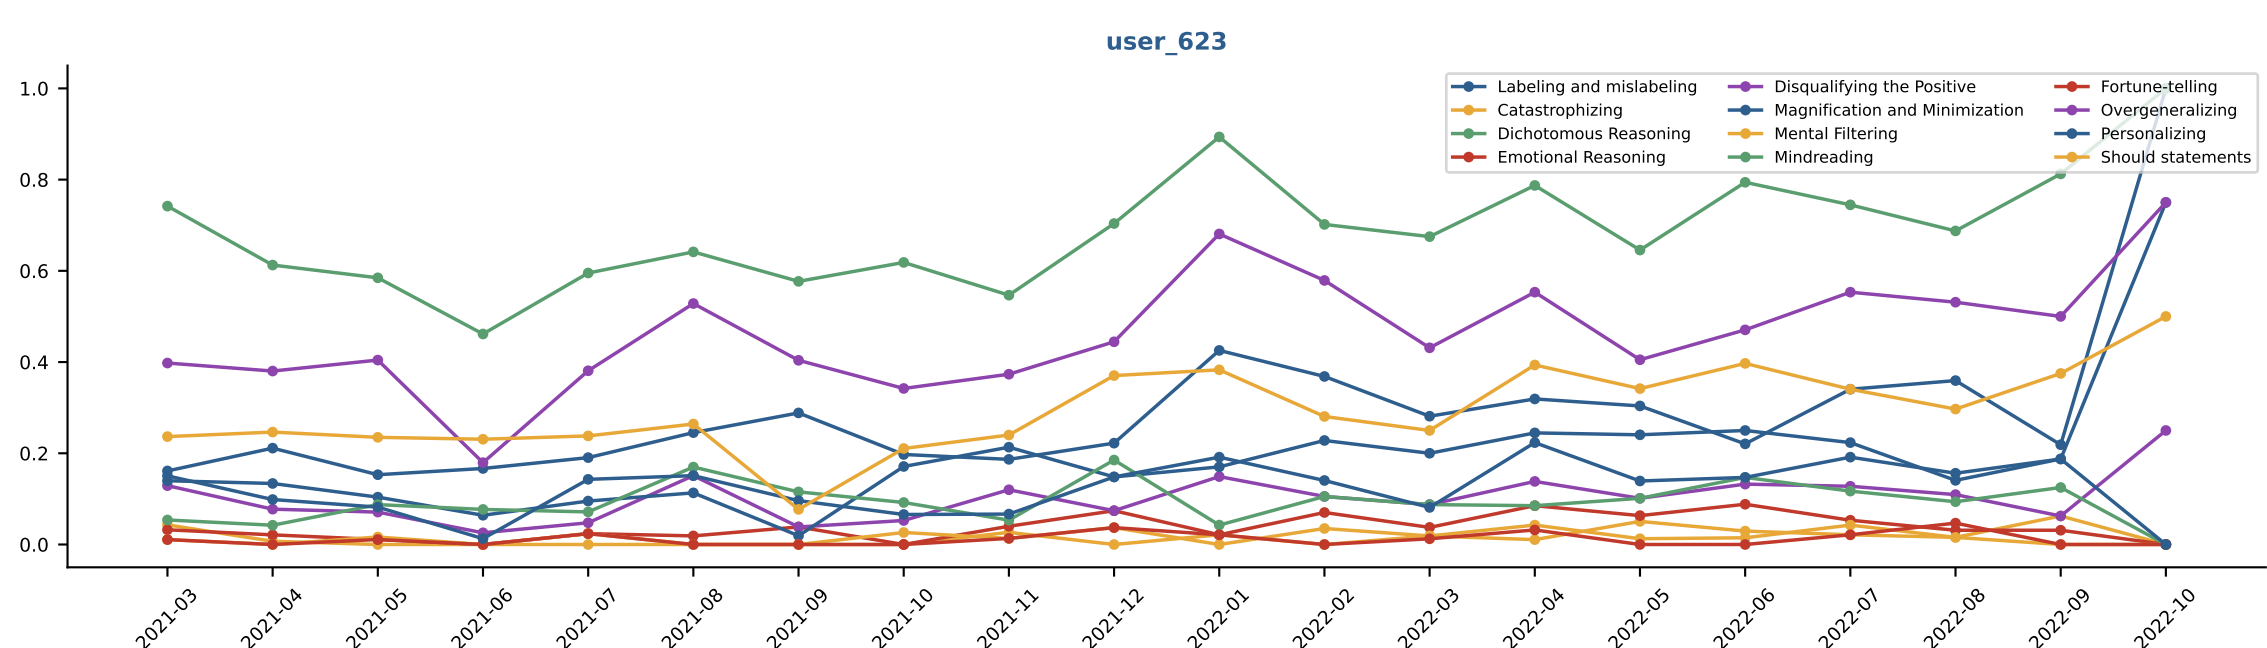

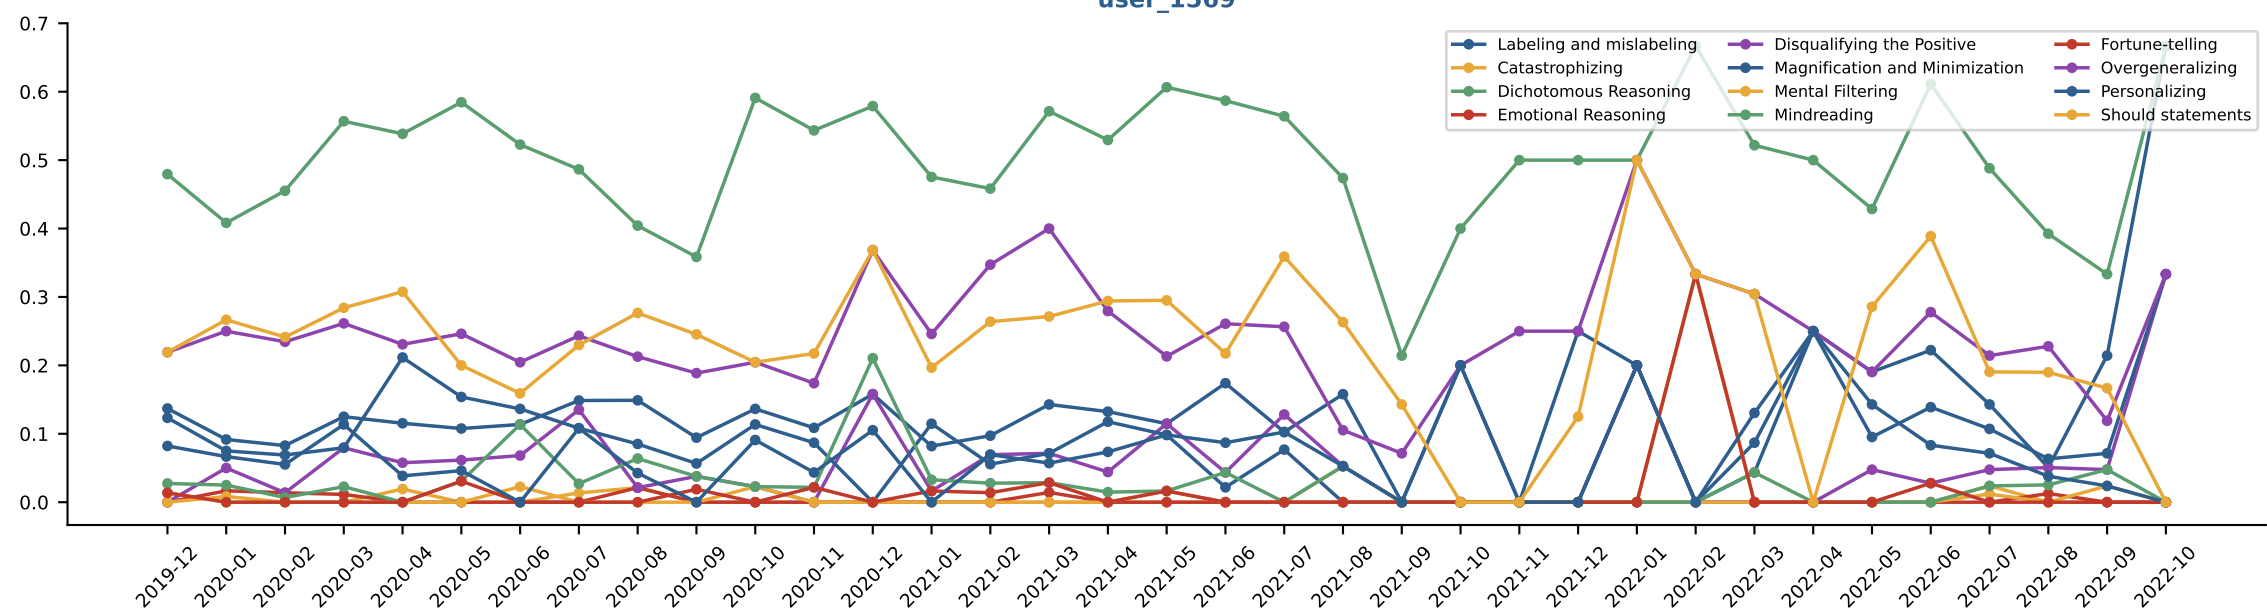

Selected Users — Top by Raw Post Volume

User	Posts	Active days	Posts / active month
user_1569	1646	1030	48.64
user_623	1520	579	79.91
user_933	847	850	30.33
user_548	760	1049	22.05
user_1291	639	454	42.84

Selection is by total post count only. Note this over-weights high-intensity users and can miss long-active, moderate-volume users (see --select sustained).
